

Pink Valley

Rosé 2019

This rosé is a blend of Grenache (80%), Sangiovese (10%), Shiraz (5%), Cinsault (5%). Our grapes were picked early morning and transported to the winery in 15kg crates. Here it was then cooled to 4°C before being destemmed and crushed. The juice was then kept for a period of 4 weeks at a stable temperature of 2.5°C, prior to fermentation being allowed to take place.

Fermentation occurred in tank over a period of 3 weeks. The wine was then racked and remained on its fine lees for a period of 5 months before being filtered and bottled.

This blush coloured rosé shows extraordinary bright fruit, with ripe notes of melon and tropical fruit, followed by a round, beautifully balanced palate that lingers long after you've taken the initial sip.

Our labels are inspired by well-known South African abstract artist Walter Battiss and each bottle portrays one of the 'Walking Feathers' from this particular artwork.

Alc: 12 %

RS: 1.1 g/l

pH: 3.31

TA: 5.9 g/l
